

EUROMAP: European Plastics and Rubber Machinery Association elects new Presidency

Luciano Anceschi, Managing Director of the Tria Group, appointed President

Frankfurt, 11 September 2015 – At the general assembly held in Venice on 11 September 2015, representatives of the member firms of the European plastics and rubber machinery elected Presidency, General Secretary and Treasurer for the period 2015 to 2018:

- Luciano Anceschi, Tria, Cologno Monzese (President)
- Dr. Karlheinz Bourdon, KraussMaffei Technologies, Munich (Vice President)
- Thorsten Kühmann, VDMA, Frankfurt (Secretary General)
- Lilli Rudnick, Frankfurt (Treasurer)

Luciano Anceschi thanked the outgoing Vice President Helmut Heinson, ARBURG, for his contributions and for shaping EUROMAP activities particularly the association's exhibition concept.

Main subject of the discussion among the 70 delegates was the development in China and India with regard to the plastics and rubber Industry. Papers were presented by Dr. Peter Neumann, CEO ENGEL Austria and Rajesh Nath, Managing Director of VDMA India.
