PLASTIMAGEN 2023 – POST-SHOW REPORT **Mexico City, November 7-10, 2023**

The 24th edition of PLASTIMAGEN took place from November 7 to 10, 2023 in Mexico City, at Centro Citibanamex Fairgrounds.

The show, organized by TARSUS, is held every year and a half, thus alternating between spring and fall, to take distance from NPE in Orlando and K in Düsseldorf.

As in the past, ANIPAC (the local Asociación Nacional de Industrias del Plastico) has given the patronage to the exhibition and EUROMAP has supported it.

There has been an increase both in the number of exhibitors and on the net exhibiting area, in comparison to the previous edition.

year	gross m2	net m2	total exhibitors	direct exhibitors
2008	27,000	15,000	817	550
2010	28,000	13,500	743	500
2011	30,600	15,000	850	668
2013	30,500	17,400	838	664
2014	34,000	19,800	850	684
2016	34,283	19,279	1,455	725
2017	39,466	20,600	840	713
2019	39,000	20,000	844	689
2022	34,283	16,136	700	411
2023	42,000	20,000	1,600	870

According to the press release spread by the organizer, the number of visitors has been 27,800 operators, registering an increase compared to the results of the 2022 edition.

The official country participations have been 14 from: Australia, Austria, Brazil, Canada, China, Germany, India, Italy, Mexico, Portugal, Switzerland, Taiwan, Turkey, United States.

The twenty-fifth edition of the show is scheduled on March 11-14, 2025.
